REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Plain Elementary School is to prepare students to become lifelong learners and responsible, productive citizens. All children engage in a rigorous, Common Core Standards based instructional program in a climate that fosters tolerance and diversity. Our many accomplishments this year reflect our school’s identity and vision statement: “A School Family – Positively Committed to Excellence!”

Students and teachers set individual academic achievement goals in reading and math as we continued implementation of the Baldrige model, a data driven process for student growth and continuous improvement. All teachers received intensive training for the implementation of Common Core Standards. School-wide data analysis reflects solid growth in all academic areas. Grade level teachers continued to work collaboratively to create common assessments and analyzed their results for the purpose of increased student achievement. A morning enrichment program was available to provide support for students struggling in the areas of math and reading. Our PTA and school community conducted a school-wide Boosterthon to raise money for playground enhancements and technology support. We were recognized with a Safe School Award by Upstate Safe Kids. We developed a School-Community Plan to broaden support in order to enhance communications through the use of weekly phone messages to all families from the school administrators, up-dated school and teacher web-sites, weekly progress reports to parents, weekly up-dates sent electronically to parents, articles in the local newspaper, and publication of a monthly school newsletter. In conjunction with our SIC, a survey was sent to all parents requesting feedback related to continuous growth. We continued to integrate technology by ensuring that all classrooms were equipped with Promethean boards to actively engage children in learning. All computers were maintained and include up-dated software.

Parental and community involvement is integral to our success. The Parent Teacher Association and School Improvement Council are involved in decision making opportunities. Over 50,000 volunteer hours were logged this year with parents and community members serving as mentors, tutors, guest speakers, and classroom support resources. TreesGreenville has awarded us with a grant for the past three years and provided us with a variety of trees that were planted on our campus. We also maintained our Organic Garden which permitted students to plant, harvest, and eat fresh vegetables.

We are proud of our accomplishments and will continue to make decisions that are in the best interests of all children. Our identify statement speaks for itself: “A School Family – Positively Committed to Excellence!”

Debbie Mihalic, Principal Steve Huskins, SIC Chairperson
